

# **Family Assist helps families find safe and affordable private rental properties**

**If family restoration or  
preservation is in your case  
plan, we can help by:**

- supporting you to find a suitable home in the private rental market
- providing a Bond Load and 2 weeks' Advanced Rent
- paying some of the costs to find a private rental property
- paying some of the costs to set up a new home
- paying some of your rent
- referring you to support providers
- paying some employment and education costs
- working with you and Community Services on your family's goals.
