<sup>4</sup> These rates are indicative only. Service Providers must quote separately for overnight respite rates and rates must be agreed by DCJ in writing in advance.

## Price Guide Methodology

- The cost base was established through *the Social, Community, Home Care and Disability Services Industry Award (SCHADS Award)*, effective December 2019, utilising the 'Social and community services employee – Casual' category.
- *The business day rates have been calculated by weighting for penalty shift rates/loading, so the same rate is paid regardless of the time of day. Variations should average out in the long-term.*
- *Afternoon shift* rate was used to calculate business day rates for all services (except Overnight Respite (sleepover)) and is applicable regardless of the time of the day. Saturday, Sunday and Public holiday rates were used to calculate the corresponding rates.
- The following formula was used to calculate the rates:
  - Weekday rate = base rate + 45.5% on-cost (24% management, 15.5% workers comp and superannuation, 6% payroll tax)
  - Saturday rate = base rate + 38.86% on-cost (17.36% management, 15.5% workers comp and superannuation, 6% payroll tax)
  - Sunday rate = base rate + 37.28% on-cost (15.78% management, 15.5% workers comp and superannuation, 6% payroll tax)
  - Public Holiday rate = base rate + 39.25% on-cost (17.75% management, 15.5% workers comp and superannuation, 6% payroll tax)
- The Overnight Respite (sleepover) rate has been determined with the consideration of current market pricing trends and the willingness of providers to provide this service at the flat rate. This rate is indicative, overnight respite is by quote only.
- DCJ will continue to update the price guide with the SCHADS Award rates and adjust on-costs such as superannuation and management and overhead fees to match the changes in the SCHADS award.
- The CSS rates are GST Exclusive

# Casework Support Scheme: Price Guide Summary
